

Friday August 7th – Evening Session

6:30 pm Prayer & Dedication

6:45 Presentation

Daniel Hoskins
KCSG President

“Creation Science: What It Is & Why It's Important“

+++

This presentation examines why it's important that we look at the world around us from a Biblical perspective rather than an evolutionary one. These two worldviews are contrasted. This presentation also briefly describes some of the work of Christians who contributed to the foundations of modern science.

7:45 pm Intermission

8:00 pm Presentation

Karl Priest
The Insectman

“Insects: Incredible & Inspirational“

+++

This presentation demonstrates how the insect world declares the glory of God even in a world cursed by sin. More information is available at his website, insectman.us

Saturday August 8th - Evening Session

6:30 pm Prayer & Dedication

6:45 Presentation

Rev. Robbie Parsons

“Biblical Evidence for a World-wide Flood“

+++

This presentation builds the case that the Noachim Flood of the Bible could not have been a local event, but a worldwide catastrophe. Topics discussed include logical and geological evidence.

7:45 pm Intermission

8:00 pm Presentation

Hamilton Duncan,
Professional Engineer,
Professional Geologist

“Vulcanism, the Fountains of the Great Deep & 40 Days of Rain“

+++

This presentation provides evidence for the theory that bolides [meteorites] provided a catalyst for the the mechanisms behind the worldwide Flood. Includes original research.

Each Presentation is approximately 40-45 minutes with an opportunity for questions immediately afterwards.

What We Believe:

- The universe and everything in it was created by God rather than by spontaneous generation and development from one kind into another.
- All creation was accomplished in six consecutive literal days -- not over millions of years and the earth is thousands (not millions) of years old.
- A world-wide, historical flood, caused by God, occurred at the time of Noah.
- The Bible is the inerrant, revealed Word of God to man and is accurate in all areas including geographical, numerical and scientific.
- Salvation, made necessary by the fall of Adam, comes only through Christ.
